

Protect:

- ▣ Swimwear
- ▣ Lingerie

▣ **Function**

- ▣ The TCP-1 hygienic liner protects ladies' swimwear and lingerie while being tried on at the retail store and at home from catalog sales.
- ▣ Protects swimwear from being soiled, so that garments will not be "marked out of stock".

▣ **Face Sheet**

- ▣ The white, non-woven face sheet is the same as the 3M paper tape widely used for direct skin applications in hospitals worldwide.
- ▣ This material has been tested in an independent laboratory and found to be hypoallergenic and to have zero dermal irritation to the skin.
- ▣ The MSDS report is on file and available upon request.

▣ **Adhesive**

Aggressive medical grade adhesive increases adherence properties to make up for the 1/3 area that does not have adhesive.

Enables the liner to stay in the ladies' swimsuit without leaving residue upon removal.

Tested in an independent laboratory and determined to have zero dermal irritation.

The MSDS report is available upon request.

▣ **Availability & Shipping**

TCP-1 hygienic liner is a stock item available for immediate shipment from our warehouses in California and Texas.

This product is shipped worldwide.
